

**YOU CAN
MAKE A DIFFERENCE!**

JOIN THE TEAM!

You can still volunteer!
**Join in the 2009 United Way
Community-wide
Day of Caring
Saturday, Sept. 12
In Troutman, Statesville & N.
Iredell**

2009 2nd Annual United Way Day of Caring – Volunteer, Get Involved!

Day of Caring: A special way for businesses, organizations, families & individuals to spend part of a day working directly with the agencies and programs that help people in Iredell County

Imagine: an opportunity for the people of your organization, church or neighborhood to come together as a group, to make a real difference in your community.

Imagine: People in your organization working side-by-side, painting, cleaning, sawing, entertaining and having fun doing something completely different for a day.

Imagine: Moving beyond financial support into a direct role as a *community builder* – simply by *setting aside a few hours to be involved in something that is tangible.*

**Mark your calendars now for Saturday, Sept. 12
Join other caring neighbors and make a difference. We'll feed
you breakfast and Day of Caring Teams will go to work at
various agency sites. Lots of fun & camaraderie.**
