

Please join us in Living United!

How much would you spend to turn a child's life around?

What would you give to offer food, shelter and clothing to a family that's lost everything in a fire?

How much would you give to send a volunteer with a nutritious meal to a lonely homebound senior five days a week?

These acts of kindness and generosity are repeated every day...by YOU...the United Way donor. You share your resources with United Way and it makes a REAL difference in someone's life every day of the year.

Like any modern community, we have our share of problems. Hunger, poverty, troubled families. Drug & alcohol abuse. Teens making unhealthy lifestyle decisions.

We're a good community...but we can be GREAT...together, we can do more!

Thanks to YOU...
