

LIVE UNITED™

A CASE FOR GIVING

Give. Advocate. Volunteer.

It takes everyone in our community working together to create a brighter future. United Way depends on community leaders like you to achieve results. Here is how you can help.

- **Give** – Invest in your community by giving to United Way of Iredell County annually.
- **Advocate** – Our causes are clear and all causes need champions. Get informed and get involved for the issues that matter.
- **Volunteer** – Lend your muscle and make a difference by volunteering your time and talents. Connect with friends, co-workers and family while giving back to the community.

THAT'S WHAT IT MEANS TO LIVE UNITED.

We can do more collectively than any of us can do alone.

- **Make lasting changes by**
 - giving 10%, 100% or 110%.
 - Give an hour or a Saturday.
 - Reach out a hand to one and influence the condition of all.

Advancing The Common Good: By partnering with United Way of Iredell County, you help to create an opportunity for a better life for all who live and work in Troutman, Statesville and northern Iredell County. You are advancing the common good. Our annual workplace campaign enables you and your employees to reach out a hand to one and influence the condition of all. Our goal is to create lasting, measurable change by focusing on building blocks, such as health, education and financial stability that will create a better life for everyone.

Getting Results: United Way of Iredell County continues to focus on bottom-line-results: the lives changed and the impact made in our communities. Today we invest your generous resources of funds, time and talents into the building blocks of success in our community.

A Few Reasons to Support United Way of Iredell County

- Because contributions to United Way are invested locally. The need is great, right here, right now.
- Because a strong community is a good place to come home to.
- Because once upon a time, someone helped you out!
- Because our community with its emphasis on measurable results and accountability ensures that your investments are producing real, lasting change.
- Because companies that invest in the community where they work, live and play are known to have more committed employees.
